All the usual hot drinks and cold drinks and an introduction to the remarkable diversity of Wines, Beers and Ciders of Sussex (and Beyond)

¹ Grilled fresh cheese on top. Salad? Our own concoction of fresh greenery and seasonal stuff.

² Nothing to do with Capt. Birdseye. Fresh from Freshwater I.O.W. from local fish. As is the Tartare sauce - from Freshwater, not local fish.

³ A delicious selection - see the board on the counter or ask the people.

⁴ Three types of Quiche: Red Onion, Goats' Cheese and Asparagus - Mixed Peppers, Tomato, Courgette and Mediterranean Herbs - Caramelised Red Onion, Brie and Thyme.

Various homemade salads - see the board on the counter.

⁵ Brighton Blue, Sussex Old and Sussex Brie Cheese, plus all the usual Ploughman's Lunch ingredients.

⁶ Probably the most delicious sausage roll in Sussex - and possibly in the Entire World.

⁷ Cakes from Coburn & Baker and A Taste of Dreams in Brighton / The Hungry Guest in Petworth. Gluten free, Dairy Free and Vegan all catered for.
